Well Chic! This year's been pretty interesting! I'm glad we're getting to be closer & closer friends! We're goin' to have to do something Crazy this summer! This year has been fun talking about Chris & Russel, and now both are really out of our life! Strange isn't it?? And now there's new guys Stu & Scott! Two "S"'s! And who knows we'll come back next year w/ Different guys! Turn to page 69

Cella, ¿Como Estas? dude. Another words, how's life treating you. Our sophmore year is almost over right? right! Only 2 more to go and will be done. Then I'll be crying, why? Because I'll never (probly never) get to see my friends again. You've been a very special friend, the past 4 years. You were there when my dad died and you've been there ever since. Sometimes I wonder why, you were so sweet to me? Then I realized, you were someone who really cares about people. In the last 4 years we've done quite a bit of growing up. We've each gone through so many things and we've both been through a hell of a lot of school. But if there were two words to sum this whole bunch of jibber jabber it would be (Thank You)! for being a friend.

Mrs. Gates has been both an excellent teacher and a very gifted counselor. Her seemingly tireless efforts getting financial aid to students through her scholarship program and the college representationship benefit hundreds of students. We applaud her exchange student organization and cheer her powder puff extravaganza. She still has enough energy left to take students with her as she travels the globe. Her last adventure took her all the way to Russia . . . We love you Mrs. Gates.

VARSITY FOOTBALL

This was a very enjoyable season. It was my first year as head coach of the cowboys. Being head coach at Don Lugo these past 15 years, I finally received an excellent chance to come back to my Alma Mater. Chino is blessed with some fine athletes and we opened the season with a milk can victory over Don Lugo 6-0. We, as a team, throughout the season had 52 varsity players, 17 of them being Seniors. We entered the Hacienda League season with a 3-0 record. After league wins over Garey, Bonita, and Ganesha with a 6-0 record, we played the league championship on homecoming against Etiwanda. We received our only loss, 14-6. We ended the season with a 9-1 record, #5 in the CIF and #3 in the Pomona Valley. Our defense allowed 45 points and our offense scored 227 points in 10 games.
